Willetton Junior Football Club

Presidents Report 2009

2009 has been a very successful year for the Willetton Junior Football Club with teams fielded in Year 4, 10's, 11's (two teams), 13's, 15's, 16's, and 17's (two teams). Auskick numbers are now approaching 50. Overall the club has around 250 players registered in all grades.

This year we have been extremely pleased to be able to field two teams in the East Fremantle 17s competition. This is a credit to the respective coaches Murray Glaskin and Larry Harder. We wish all 17's players well and hope to see them continue their football in the WAFL or at the Willetton Amateur Football Club next year.

This has been a great season for our older age teams with our 13's under Ross Kenna, 15's under Steve Schleicher, 16's under Gavin Brown and 17's Navy team under Murray Glaskin all participating in finals. This continues the good work from last year and reflects the hard work of the players, coaches, managers and supporters of these teams.

The younger teams continue to participate and represent the Club well and the skills they have displayed during the season are nothing short of outstanding. Congratulations to the Auskick teams and helpers for a great fun-filled season. Well done all.

Congratulations to all Willetton players involved with the East Fremantle development squads. Use this opportunity to develop your football skills and knowledge, and enjoy the experience.

2009 also marks a defining year in the history of the Club with the launching of our new website at www.willettonjfc.com.au. The website was donated by VantageKey Consulting and has allowed us to commence the important task of gathering and preserving our history especially through the 1980s and 90s.

The social night again proved to be a great success with the Gun Shy Romeos showing that good rock and roll just gets better.
