

We welcomed new sponsors this year, Pulse Realty Murdoch, Plunkett Homes, Contemporary Design & Construction and the Maher Family , as well as the continued support of Pivac Engineering, Oakbridge Finance, PowerPlay Sports, Soundproof Pty Ltd, Willetton Amateur Football Club, Citrons Catering and Paul and Karen Tucek at Morgan Real Estate.

Well done to the players who have been chosen for the East Fremantle Development Squads and our own Nick Shaw for being selected to coach one of the 14's teams.

A big Congratulations has to go out to the Willetton players voted, during the season by the umpires, for the Best & Fairest count at East Fremantle. The hands are sore from applauding and the face sore from grinning, but what a fantastic effort by:

Killian Rawson - Best and Fairest Year 8 Blue

Nelson Aranda - Best and Fairest Year 9 White

Jacob Menezes - Runner up Year 9 White

Izaiah Anapu - Best and Fairest Year 10

As I write my report (which I have left to the very last opportunity) we have our Year 7's, 8's and 9's all playing in Grand Finals and our year 10 team bowing out in the Preliminary Final. What a fantastic effort by all four teams. Good luck to all the Grand Finalists.

At the end of the season, on reflection, it is you the parents and players of Willetton Junior Football Club, that are truly the engine room that makes this mighty club run. I'm just the one trying to steer and dodge all the obstacles. To you all, thanks for being there each and every weekend and making me proud to represent you.

Here's to doing it all again in 2015.

PRESIDENTS REPORT 2014

Season 2014 has seen the Willetton Junior Football Club grow from strength to strength and it is all due to the wonderful efforts of our players and their parents, new and returned.

The Willetton Auskick programme picked up where it left off in season 2013 with the enduring efforts of Robyn Eade and Cameron Girvan making it bigger and better. The numbers on the ground each and every Sunday are proof that Auskick is alive and kicking in Willetton.

Thanks go to the coaches that put their all in each and every week. Terry Allan, Johnny Pivac, Dave Jefferyes, Shane Crook, Ean Murray, Dave Artingstall, Paul Evans, Nick Shaw and Kingsley Morisey. But where would they be without their Managers - thank you to those ladies and gentlemen for making sure we all know where we need to be and what we need to be doing.

Huge thanks to the Committee for 2014, in particular; Dave Artingstall, Toni Brown, Fiona Ruscoe, Mark Dias, Lisa Bolton, Mike Hanney, Ean Murray, Terry Allan, Paul Tucek, Jason Bradley (who has proven to be an all weather line marker - rain, hail or shine) and Helen Hunter - my wife and club secretary, who lives and breathes Willetton Junior Footy Club over winter and has to listen to all my ideas and thoughts on the club. Special mention to Rashel Blazeovich and Kelly Katic for their photographic work for this fantastic Yearbook - the players have never looked so good and what a great way to remember season 2014.

If you ever thought that volunteering was a lot of work for no money - well you are probably right, but it also opens doors and can lead to opportunities you never thought possible. Both Helen Hunter and Terry Allan are now employed by the West Australian Football Commission. Helen as the East Fremantle District Administrator - recognised specifically for all her work achieved at Willetton and Terry as the East Fremantle District Schools Auskick Coordinator, implementing football programmes to children who would not normally play the game. Well done, the hard work paid off and you both get paid to talk footy.
