

CLUB HOUSE 81 PROJECT

FUND RAISING

This has been very disappointing, remembering that as a club we are committed to the \$56,000 and to date the money has been very slow.

All Fund Raising activities must be supported - remember it is your Club and your Clubhouse.

BOAT RAFFLE

We have had to postpone the closing date to 20th November due to so many books not being returned.

BUY-A-BRICK

This is now under way and no doubt you have been contacted or are about to be contacted - so please open your purses and donate.
