Willetton Combined Teams. These are boys and girls who have been picked to represent Willetton at the forthcoming State Championships held in November. They will be playing up an age group to help them gain experience for the Championships. They will not gain premiership points or play in the finals at the end of the season. Any team in the comp. that wins against a combined team will of course gain points for the win. For the first time Willetton is marking up a first in having an 8s and under competition. About 50 children have registered for this and under the eager eye of Robyn Manley will commence on Tuesday 7th October at 4 o'clock with basic skills training and matches. Children that have commenced school this year will be eligible. A number of senior players and parents will be assisting Robyn on these nights.

SANDRA HAMPSON,
REGISTRAR.

JUNIOR FOOTBALL

The season has ended. Although Willetton did not win any premierships, it goes without saying that over 300 boys in the Willetton area participated and enjoyed their games of football.

On August 30th, the 11's together with their dads had an extremely successful and enjoyable camp at Busselton. The camp was attended by 28 boys from three teams and some 20 dads. Although the numbers attending the camps were not large, the boys and the dads who were there made sure they had a real good time.

The 13's also had a very enjoyable camp, but telling you all about it, among other things, is Eddie Kirwan, Co-ordinator for this age group...

Our season finished with the Blue Team winning their way into the final only to be beaten by our Arch rivals Melville. The Whites and the Reserves did not make the finals but performed creditably during the season. Thanks must go to our coaches Tony Combes, Mike

Robinson and Bob Shannon for the dedication and time they put into their teams. Also thanks to the Managers Simon Joel, Peter Fordham and Phil Coffey for a great effort and other parents who officiated during the season.

After the school holidays we wound up our season with a Windup and Trophy Presentation Dinner at the Dorchester Lodge. It was a great night, well attended with a top panel made up of Alan Stiles (Chairman), Reny Johnson, Wayne Cormack, Les Mummie and John Morris. Thanks to the panel who gave their evening to us. Congratulations to the trophy winners.

Our final function was a camp at Dryandra Forest. Although not well attended it was certainly enjoyable. The Concert the boys put on was well done. After winning Saturday's cricket match the boys weren't strong enough to beat the Super Dads at football on Sunday.

Thanks and congratulations must go to all the boys who represented Willetton in this decision throughout the season. They are a credit to themselves and their parents, on and off the field.

I thank you for the opportunity of being your co-ordinator and hope that the new committee will continue to receive your support.

EDDIE KIRWAN.

Congratulations go to all the above trophy winners for the 1980 Season. Well done boys - the awards you 'earned' were certainly well deserved.

Before signing off for the year I would like to extend my sincere thanks to the other members of the Junior Football Committee and the Coaches and Managers who provided me with the information that was virtually necessary in making up Junior Football news this year.

The Committee wish to thank all parents who gave their time in helping out in the numerous but necessary jobs and also the parents who were always there supporting the boys.

A very special 'thank you' is extended to Bob Lee, who again did a magnificent job as Recorder for the Junior's and to Bob Burns who made sure the grounds were properly marked every week.

On September 28th a new Committee for Junior Football was elected. The Committee for 1981 is on Page 15.

SENIOR BASKETBALL

At last after many weeks of planning, several headaches, and lots of late night meetings, we've made it. We are now running our own competition at the Burrendah Courts. Naturally, being our first year, we expect some problems but with 54 registered teams the Basketball Committee is confidently anticipating an enjoyable and successful season preparing for an even better season next year. We have been fortunate to attract 22 outside teams this year which with our 32 club teams will provide some interesting competition for all players. With all senior grades playing on a Monday Night there will be many good games for everyone to watch especially as the A grade games are spread throughout the night.

To distribute the many jobs involved in the smooth running of a Basketball Competition we have decided to roster each of the Willetton Clubs to attend the gate and the canteen on a weekly basis. If your Club delegate asks you for an hour or two of assistance please help out willingly as it is in the long run benefitting you, through benefitting your club. A little help from a lot of people goes a long way and with most Willetton Clubs having several mens and womens teams each person should only need to have one or two turns throughout the season.

Raffle books will be distributed early in November and we ask that all tickets be sold and returned by Friday 19th December to be drawn on the following Monday.

Anyone with any queries or suggestions please contact your Chairman - Ray Constantine (457 4162).

Anyone with any complaints - you are welcome to join the Committee.

JULIE BACHE,
PUBLICITY OFFICER
