The Willetton Junior Football Club is now almost half way through its season and has experienced mixed fortunes on the field.

Our 9s, 10s and 11s sides, while not playing for premiership points, are enjoying their football and looking forward to their carnivals at the end of the season when they get their chance to show how competitive they are.

The 9s carnival for pee-wees and 9s will again be hosted by Willetton and will be played on Burrendah Reserve on Sunday, August 24.

The 10s carnival will be hosted by Riverton on August 31 while Lynwood will host a carnival for the first time for 11s on August 24 at Ferndale.

We have experienced problems with having two 12s sides in the one competition with one side obviously stronger than the other. These sides are due to play each other on the July 5 and efforts have been made by the coaches to even the sides prior to this date.

The 13s side has been playing with mixed fortunes and are fighting for a place in the four.

We started the season with two 14s sides. However numbers were not sufficient to maintain them both. We now have one team of 27 boys and a roster system devised by the coach which is catering for all boys. This side is currently in third position and quite capable of playing in a grand final.

Our 15s side is not having a great deal of success but never the less competing each week and looking to a better second half of the season.

Our 17s side has also had mixed fortunes and are quite capable of competing in the finals. Business commitments forced our coach Noel Sweetman to resign and the side is now being coached by Bruce Sinclair and we wish him success for the remainder of the season. Noel has offered to assist when time permits.

We have had three boys in recent weeks play their 100th game for Willetton. They were Peter Knott and Kane Morphett in the 14s. These boys both played their 100th game on the same day against arch rivals East Fremantle and their team mates helped them make it a memorable occasion with a good win.

Rostered

Congratulations also to Lang Watkins in the 17s for playing 100 games for Willetton.

We would like to remind those parents who are rostered for ground or canteen duty on match days, to advise the team manager in advance if they cannot make their duty, as some parents are not currently doing this.

Social News — We will be holding a Quiz Night on July 16 at the Sports Club, commencing at 7.30pm, tables of six or eight, and admission is \$3 per head. For table bookings phone 332 5195.

We have just recently held a Lamington Drive and Sausage Roll Drive. While reasonably supported by some teams,
