

FROM THE

Secretary/Manager's Desk

HOWARD MANLEY

A.G.M.

It was most disappointing that only 33 members, including Board members, attended the recent A.G.M. of the Club.

NEW BOARD MEMBERS

Two new faces have taken up positions on the Board of Management. They are Gerry Holden and Eddy Wright.

Following the first meeting of the Board and in accordance with the Constitution, Peter Polak was elected Vice President and John Field, Finance Controller.

Congratulations to all four.

PRESIDENT

Brian Gray has been re-elected President of the Club for the next twelve months.

I am sure Brian will continue to serve the Club with his usual enthusiasm.

PORTFOLIOS — 1993-94

Finance	B. Gray, J. Field, G. Hampel
House	P. Polak, A. Cruise, G. Holden
Basketball	G. Hampel
Cricket (All)	P. Polak
Junior Football	E. Wright
Senior Football	B. Gray
Little Athletics	G. Endersby
Netball	G. Holden
Softball	E. Wright
Hockey	G. Endersby
Lawn Bowls (Both)	M. Builder
Tennis	M. Builder

THANK YOU

Joe Parker has found it necessary to stand down from the Board after four years.

Joe was a very steady and sound contributor and did many things behind the scenes that assisted the Divisions and the Club.

Thank you, Joe, for your guidance.

Since the A.G.M. Phil Olsen has also found it necessary to resign from the Board owing to employment commitments. Phil's job requires him frequently to travel interstate and overseas.

Thanks also go to Phil for his efforts and the manner he demonstrated his strong feeling for the Club.

RENEWAL OF MEMBERSHIP

We are again offering a colour T.V. set, valued at approximately \$400, as an incentive to renew early, if your membership is due at the end of September.

Full details are provided on the enclosed flyer.

THE PRESIDENT'S REPORT 1992-93

Our year just ended has again been very difficult. We have seen further deterioration in our main income areas.

Several marketing ideas were tried without success and also different types of activities initiated at the Club to try and improve member usage of the Club facilities.

The staff have again been very loyal and hard-working with many staff members putting in hours of their own time to help the Club.

We have seen more changes in the staffing of the Club and the benefits from some of these changes are yet to be fully reflected in the figures.

The sporting divisions of the Club have all had good success on the field and have managed their affairs well. Several have helped the Club by keeping credit balances in their accounts and this, through an offset arrangement with the bank, sees us incurring no interest on our loan account and overdraft.

Particular thanks must be given to the stadium operations for their assistance, and the City of Canning.

Several sub-committees have been formed by the Board to investigate possible fundraising and structural changes as we still must reduce our costs and increase income.

The Board and staff are fully committed to the club and its long term future, but we don't underestimate the difficult task ahead.

In view of the above I again appeal to all our sporting divisions and individual members to give your Club the support it should have. The facilities provided are arguably the best south of the river and possibly within the metro area.

Members — it is up to you!

Proud to be associated. Best wishes to all Willetton Sports Club members, families and friends

WILLETTON JUNIOR FOOTBALL CLUB

After a tremendous start to the 1993 season with all teams showing good playing numbers and two teams being formed in the under 9's and under 12's, we are looking forward to a very successful season, both on and off the field.

E.F.J.F. Combined Teams

13's — Scott Bennet, Clinton Frame, Chris Della-Vedova, Scott Meuleman.

14's — Nathan Cicerello, Luke McManus, Gavin Osborne, Glen Waters, Blake Morphet and Scott Bowden.

15's — Blake Albones, Travis Archibald, Clinton Bickle, Shane Bennett, Mark Dobson.

State Schoolboys Squad

Clinton Bickle, Under 15's and Glen Waters, Under 14's, two outstanding players that have been selected for the State Schoolboys Squad.

Teal Cup

We would like to congratulate Shaun McManus (Colts player) who has been chosen to play in the Teal Cup in Adelaide. Shaun, an exceptional player, has played with Willetton since PW's and was also Junior Footballer of the Year in 1991.

Fundraising Chocolate Drive

Thank you to the many families who so willingly supported our Chocolate Drive and to Kim Kinnear, who was the organiser of this very successful venture. We are now in a sound financial state and hope that you will be able to enjoy the benefits of your efforts.

If anyone has suggestions for fundraising in the 1994 season, please contact Kim Kinnear on 457 5200.

Team Reports

PW's — The season has been progressing well with the skill and endeavour levels showing a marked increase since the season started. The extra competition between Bullcreek/Leeming and Willetton has also played a major role in this improvement.

9's White — Our team is performing very well. Most weeks it is a very good team effort. During some of the harder matches some of the more gifted players really come to the fore but overall all players contribute. Special thanks to our permanent goal umpire, Shane Sobzak (his job looking much more professional with the advent of new flags). To both, well done.

10's — The side has enjoyed a sound season to date with convincing wins over all opposition teams. At training the boys practice the three major skill areas, kicking, marking and handball. The combination of these skills has produced some fine teamwork on match days to continually blitz the opposition. Parents have observed fine examples of strong midfield play, forward and defensive work. The coach continues to impress upon the boys the value of teamwork to continually move the ball forward. This teamwork has allowed the boys to develop into a strong, cohesive combination.

11's — A much improved side to last years. The boys have won more than half their games and should continue with their improved form.

12's Blue — Half way through the season the team remains undefeated. With minimum numbers, the boys are forming a tight knit unit which should only get stronger as the year progresses.

12's White — The boys have settled down and are playing really well with Daniel Smythe as their new coach. All boys are putting in a good effort and if they continue to do this throughout the remainder of the season we will see some really good football.

13's — The under 13's have performed well and to date are undefeated although some tough matches are due over the next couple of weeks. A number of boys were recruited over the summer holidays and have fitted into the team very well. A big thanks to Anne Hadley for taking on the task of 13's recorder.

14's — 1993 is proving to be a most successful year for the team. Never before have they gone through the first round undefeated. Special congratulations go to those boys who have been selected in the EFJFC Combined teams. Special mention should be made of the boys who did not make the combined side but managed to win their game with all six combined team members absent. Graham, Richard and Alan are doing a tremendous job training the boys and this is appreciated by all. Now for the business end of the season and hopefully winning the big game in September.

15's — Our team provided five players to represent the East Fremantle district under 15's. The team went on to win the competition against all other districts and our congratulations go to all of these players, particularly Glen Waters and Clinton Bickle, who won man of the match award in the grand final and has been selected in the State squad. Rumour has it that a certain coach will turn 50 on the same weekend that he coaches his 100th game. Congratulations coach, but still not quite as good as your player, they reach their 100 games at a much earlier age.

17's — With two successful wins against Kardinya and Melville, the boys have really grouped together, showing more confidence and team spirit and that they are quite capable of making the final six. Keep up the good work, guys.
