#### GREETINGS

How quickly 1994 has gone.

I would like to extend to all members and their families a safe and merry Christmas and a very happy and successful 1995. These wishes also come from my wife Robyn.

The success of your Club can only come from the support of members and I trust that in 1995 you will not only support your division but also the Club in general.

I thank the entire staff for their patience, support and dedication towards ensuring the success of the Club. All staff provide many hours beyond their normal duties which can and mostly goes unnoticed. I congratulate them for their emotion and attitude towards the Club.

Perhaps next time you visit the Club you may offer your appreciation.

## WILLETTON APACHES SOFTBALL CLUB

The Softball season is now well underway with two games completed for all grades and some very pleasing results for the Club.

#### A GRADE:

A disappointing result for our first game, facing a 6-0 loss to a very new Kelmscott Bulldogs side, however, after a concentrated effort at training with the bat, the following week produced a 4 all draw with the new State League Reserve side Southdale Spectres. An encouraging result.

#### B GRADE:

With the progression of many of our Junior players into a Senior team supported by experienced Senior team members and a new coach, the results of B Grades first two games are promising. Unfortunately their first game resulted in defeat, the team grouped together the following week to defeat Sharks 25 to 10 in a great game with good fielding the batting. Well Done!

#### C GRADE:

Once again a new team with a lot of potential. With their first games both resulting in losses the team is working hard to improve. I am told that Lynda Skinner is teaching the team to slide!

#### JUNIORS:

After a slow start to the season and a struggle to put a team together with only six players, Sandra Norris showed determination ensuring that Willetton would field a Junior side. The Club appreciates her efforts and the help of Gemma Wyatt who has volunteered to fill in until more juniors enrol and Kristy Gosden and Karinda King who help out by playing juniors in the morning and seniors in the afternoon. Thanks to these players who have enabled us to field a team.

The juniors had a great win for their first game resulting in a very happy coach, we are not sure who was more excited, the players or Sandra — Congratulations! Although short a player the second game resulted in a draw.

**IF ANYONE CAN HELP FIND SOME MORE JUNIOR PLAYERS PLEASE CONTACT SANDRA NORRIS, IT WOULD BE MOST APPRECIATED!**

#### SUB JUNIORS:

Congratulations to Sandra and her team on winning their first two games, defeating Bandits and Forrestdale Eagles, helped by a number of Home Runs. The sub-juniors are proving to be good team players and should have an enjoyable year.

Good Luck to all teams and keep up the good work.

The Club is now in full swing with Social and Fundraising activities. A Club BBQ was held after the first game of the Season with a good turnout from all divisions.
