FINANCIAL REPORT

Every effort is being made to have the Consolidated Financial Report of the Club for 1995/96 to be available at the Club office by Friday, 8th June, 1996.

COMING FUNCTIONS

We have organised two attractive functions in the months of June and July.

On Wednesday, 5th June, 1996 commencing at 12 noon a special luncheon will be held with cricket legend "Merv Hughes" as the special guest. Merv will be supported by the infamous Peter Dee.

In July - Saturday 27th - "Xmas in July" will be featured. This also promises to be a great night. See Main Notices for full details.

PATIO/BALCONY ALTERATIONS

Unfortunately we experienced a slight delay with the completion of these projects. However, the problems have been overcome and we are now looking forward towards enjoying the new facilities.

We apologise for any inconvenience caused to any members.

BOARD OF MANAGEMENT NOMINATIONS

At the time of compiling these notes, nominations for three positions on the Board of Management were still open. However, by the time this publication is printed the situation will have changed and should a ballot be necessary, the voting material will be enclosed with this publication.

15th ANNIVERSARY

The 4th April 1996 recorded the 15th anniversary of the official opening of the Club premises. A small gathering of Past Presidents, Life Members and current Board Members met at the Club to mark the occasion. It was especially enjoyable to again have the company of so many who worked so hard to build the unique Club that we now enjoy.

Well done to both Jason Robinson and Wayne Ticehurst for ensuring that many juniors participated in the annual 1996 club championships. Many juniors thoroughly enjoyed the competition.

Upcoming events before the end of the season are as follows:

May 16th - Closing Day, Midweek ladies morn-

JUNIOR FOOTBALL

Welcome to season 1996 and our first news. We will produce a fortnightly newsletter to keep you informed as to what is happening within the Division.

From the way it has started, the season promises to be another great season for the Division. The smooth start to the season was due largely to the coaches and managers and, of course, the hard work of the Committee. I would like to thank Mike O'Donnell, Peter Keig, Anne Hadley, Loraine Smythe, Julie Powell and Wendy Baker for their time and effort to have things running so smoothly.

Thanks also to Jane Bannister who has kindly agreed to put this newsletter together each fortnight.

CANTEEN

ISN'T IT GREAT TO HAVE A CANTEEN!!!

I would like to welcome Isla White to the Division. She is doing a great job in the canteen – and her homemade sausage rolls are fantastic!! Please support the canteen – and have a chat to Isla.

JUMPERS

Just a reminder that WJFC jumpers are to be worn FOR GAMES ONLY. They are a very expensive item at \$1,000 or more a set. Obviously we could not afford to replace all sets every year, so if they are only worn once a week for the game, we will get a greater life out of each set. Also please wash them in cold water as this will help with the life of the jumper. Your support here will help save the Club money and obviously keep fees as low as possible.

OVAL MARKING

Thanks to Terry O'Callaghan for once again donating the paint for the marking of our oval.

QUIZ NIGHT

After the fun and success of last year's Quiz Night we have decided to have another this year. Hopefully it will be in the last week of Term 2.

We will need donations for prizes. The Willetton Sports Club is once again paying for the Quiz Master and providing one of the major prizes. We need two other major prizes and as many minor prizes as possible. If you can help in any way, please contact Graeme Thorpe on 457 4767.

BANNERS

There are two frames in the Club store if any parents wish to use them for 50 or 100 games, etc.

BOOTS

Unsold secondhand boots are still in the storeroom. If you would like them back your team manager will let you in on game day.

It is great to see the parent support at the games. It is good to support the boys – and each other in sharing the jobs around!!

TEAM REPORTS

11's

Sunday, 28th April, 1996 saw the start of the 1996 football season for the Willetton 11's football team.

Coach Kevin May has spent considerable time in pre-

season development of skills which was every evident in the opening game.

A welcome is extended to new players Luke Kossenberg, Bradley Rinaldi and Tyler Hall.

Good to see many parents supporting the team on Sunday.

JIM BAKER

13's

The team has leapt out of the blocks to commence the season with two resounding victories. The first game was a windswept hard slog affair with players continuing to display exceptional ball skills in difficult conditions. A warm welcome was extended to new players who combined well with the longer term players.

The second game resulted in Willetton inflicting a trouncing on near neighbours, Rostrata. Again the players focused on being first to the ball and displaying good vision to effectively dispose to a team mate upfield.

The coach is pleased with the boy's endeavour and commitment to date and wishes all players well.

14's

The 1996 football season has kicked off on a good note, with the boys playing well in both the practice match against Bullcreek/Leeming and our first round game against Ferndale with two good wins. We have lost three players from last year's Premiership side and have gained the services of Matthew Gremin, David Mucha and Caden Speight – welcome to our team boys.

Team Manager Gerry Lee and Team Runners Paul and Phil are all settling into their jobs. Ben McManus has been named Captain of the team with Richard Hadley as his Deputy.

Our first round match was played against Ferndale with the boys putting in a fine first up performance. I must pay compliment to our back line led by Chris Little and his flankers Andrew Keig and Aaron Hicks. Other good players were Mat Gremin, Ben McManus, Adam King, Aaron Jones and the quiet achiever, Simon Bannister. Overall it was a terrific team effort and if we keep playing as a team, we will do very well. Remember guys – "practice makes perfect"! Best wishes to Jarrad Lee and Alister Minas for their speedy recovery from their injuries.

GEOFF MARSH

17's

The 17's started the season well with convincing win over Kardinya, the final score reading Willetton 15-13 to Kardinya 4-9. Goal scorers for Willetton included Blake Morphett 5, Mark Houghton 3, Mathew Shupp 3, Glenn Melrose 2, Ryan Phelps 1, Luke McManus 1. Although at times our ball handling was a little astray, the enthusiasm and commitment from all players was encouraging for an opening game. Better players in a strong team effort were Tim Newey on a half back flank, Tim Langley, Gavin Osborne and Chad Annandale as ruck rovers and Ryan Phelps at centre half forward.

The second game of the season was a bye for Willetton in a 7 team competition that includes teams from East Fremantle, Lynwood/Ferndale, Rossmoyne, Bullcreek/Leeming, Kardinya and Fremantle Reds.
