JUNIOR FOOTBALL

1994 has been an extremely successful year for the Willetton Junior Football Club. Off the field, we have had a profitable chocolate drive, which has enabled us to purchase four sets of new jumpers this year.

On the field, all teams have performed creditably. The Pee Wees have had a successful season and all teams in the 9 years to 12 years finished in the top four, even though finals are not played.

Our 13's, 14's, 15's and 17's have all made the finals and we wish them the very best of luck for a successful finals campaign.

Congratulations go to Glen Waters and Nathan Cicerello, who made the State Schoolboys' team and travelled to Adelaide earlier this year. Glen was also made captain of the team and was among the best players in each game.

The fairest and best results for this year are:

13 Years Fairest and Best.....Russell Pyke
13 Years Runner-UpJeremy Ewan

14 Years Fairest and Best..... Scott Meuleman
14 Years Runner-UpChris Della Vedova

15 Years Fairest and Best..... Gavin Osborne

SENIOR FOOTBALL

The end of the home and away season saw Willetton senior football represented by all grades in the finals. A surprise loss to Thornlie by the League in round 16 saw the Club Championship award go to Osborne Park by 8 points. The loss also saw the League team drop from second to fourth on the Premiership table.

The Saturday side finished the season in second place, only to lose both finals appearances to Roleystone and Kelmscott, ending what could have been a very successful year for the boys. Congratulations must go to Ray Pickersgill, the coach, and his helpers for their on-field performance this year.

Sunday, August 28th saw the Sunday sides make their finals appearance, the League took on Kelmscott in the cut-throat elimination final on Kelmscott's home turf. After a tough a physical first half, Willetton led by 18 points at half time. Craig Baines, at centre half forward, was playing strongly and the defence of Steve Perejmibda, Michael Fairnie, David Glass and James Perejmibda was making life difficult for the Kelmscott forward line.

The third quarter saw Willetton increase its lead to 28 points and Justin Keen, in the ruck and up forward was causing problems for the Kelmscott defence.

In the last quarter the Blues opened up with three quick unanswered goals, which put the game out of Kelmscott's reach. The side went on to kick twelve goals in the last quarter to run out eventual winners 22 goals 11 points to 8 goals 6 points.

The Reserves and Colts played the qualifying finals at Gosnells after both sides finished the season in second position on the ladder. The Colts took on Osborne Park in a hard-fought game, at the final siren Willetton emerged five point winners. Final score, Willetton 7.9, Osborne Park 6.10.

The Reserves played Kelmscott and had control for most the game, if not for inaccurate kicking the game could have been over by half time. The main break scores being 8 goals 13 points to 3 goals 1 point.

In the second half the scoring became easier as key forwards Gosling, Valenti and Broxton took control, taking several strong marks. The back line, led by M. Horsman, L. Watkins and team captain C. Piani, kept Kelmscott down to 5 goals 1 point at final time, the run from players K. Burton, G. Horsman and G. Staley enabled Willetton to kick 20.17 to win by 106 points.

Reserves coach Tony Amaroso capped off a fine first year as coach by winning the S.F.L. Reserves Fairest and Best Award, team-mate Gosling made it a double by coming in runner-up.

By the time you receive the edition the results of the finals will be known. Let's hope that there is some additions to the Club's Premiership flags.
